DESCRIPTIONS

****Chair Yoga**:**

Chair yoga offers gentle stretches and poses, primarily seated or using a chair for support. It's perfect for those with limited mobility or looking for a more accessible way to practice yoga, focusing on flexibility, balance, and relaxation.

****Strength and Mobility**:**

This class combines strength-building exercises with movements aimed at enhancing flexibility and mobility. Expect a dynamic workout that challenges your body's range of motion while increasing overall strength and stability.

****Vinyasa Yoga**:**

Vinyasa yoga synchronizes breath with movement in a flowing sequence of poses. It offers a dynamic and energetic practice, emphasizing strength, flexibility, and mindfulness as you gracefully move through poses linked by the breath.

****Hatha Yoga**:**

Hatha yoga focuses on the balance between breath and movement, incorporating a variety of poses to align and calm the body, mind, and spirit. It is a foundational practice suitable for all levels, offering a slower-paced yet deeply rejuvenating experience.

****Yin Yoga**:**

Yin yoga targets the deep connective tissues of the body through passive, long-held poses, typically performed on the floor. This meditative practice encourages relaxation and release, promoting flexibility, joint mobility, and a sense of inner peace.

****Cycle Class**:**

In a cycle class, participants engage in high-energy stationary biking, led by motivating instructors who guide you through intervals, climbs, and sprints. It is a cardio-intensive workout designed to improve cardiovascular health, leg strength, and endurance, all set to energizing music.

**** Step up **:**

Join us for an energizing step-up aerobics class! This workout combines cardio with strength training, using a step platform to boost your fitness levels. Perfect for all levels looking to sweat and improve coordination.

**** Zumba****

Experience the joy of movement with our senior Zumba class. This class is designed to keep you active, social and having fun. It also helps improve balance, flexibility, and cardiovascular health, all while dancing to upbeat music. All levels welcome.

**** Mat Pilates Fusion ****

A dynamic 1-hour movement class that blends classical Pilates with elements of yoga, barre, and strength training. This full-body workout focuses on core strength, endurance, and flexibility while emphasizing proper alignment and control. Using primarily bodyweight exercises, light props, and a vibrant playlist, this class honors the principles of Joseph Pilates while creating a fun and engaging experience for all fitness levels.
